Rectangular Top Outlet			
PCK-RET-8	8" Oval Pipe to 9 3/4" x 17" Base	38X751	\$315.66

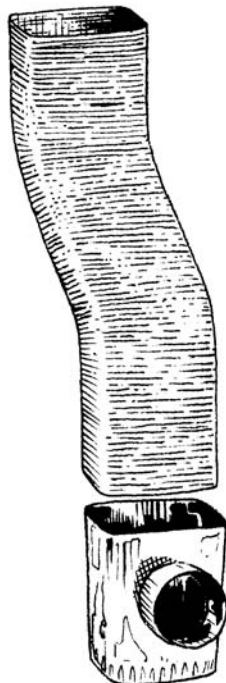

MAGNAFLEX

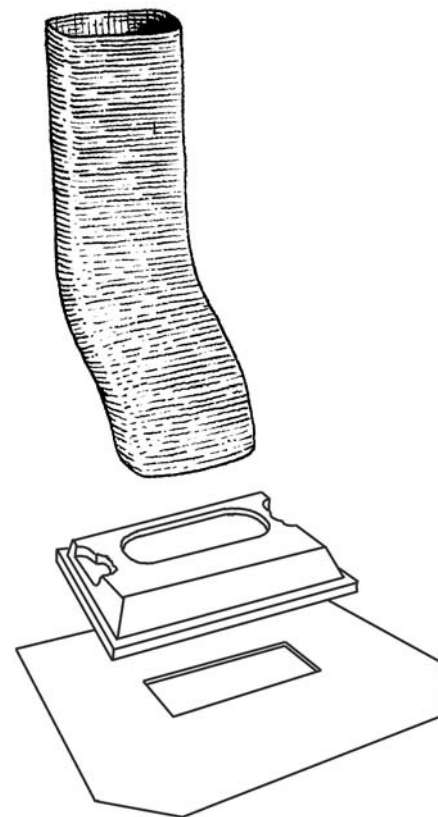

PCK-RT

Fits round top outlet stoves
Includes: stainless steel oval to round liner, direct connector, and damper sealing plate.

PCK-RB

For Stove to Fireplace Installation
Includes: stainless steel oval liner, oval tee with cap, and damper sealing plate.

PCK-RET

For rectangular top openings
Includes: stainless steel oval liner, stove top adaptor, and damper sealing plate.

All kits come complete in one box. The Magnaflex liner is manufactured using type 316L stainless, which is rolled and locked together in a continuous process. Finished length is approximately 5 feet. The easiest and simplest positive connect kit on the market.
